

Destinations Library

An Immersive Cultural Experience

Guide your students on a language-learning adventure with Destinations Library, your one-stop shop for curated cultural resources.

Learners explore vibrant communities, hone communication skills, and deepen their understanding of the Spanish-, French-, and German-speaking worlds. With a wealth of culturally relevant content, engaging texts, and an ever-expanding collection of learning resources, Destinations Library allows students to experience authentic language without leaving the classroom.

ClearTalk™

Spanish French

Students practice speaking with an AI-powered conversation partner that simulates live interactions. ClearTalk's speech recognition technology provides immediate feedback to allow students to improve their responses, while educators can easily access recordings and transcripts to track their progress.

iCulture

Spanish French German

Create meaningful learning experiences with iCulture's frequently updated assignable content. Students explore themes, locations, and events in Spanish-, French-, and German-speaking cultures with resources that help them connect the target language to the real world.

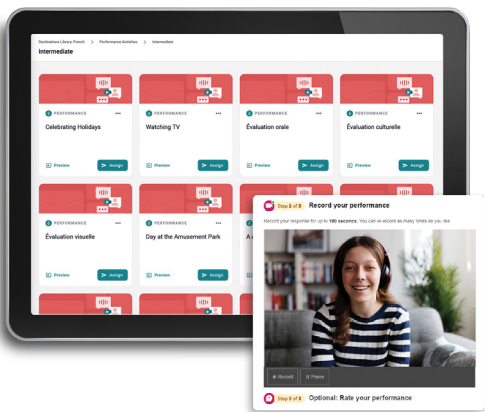

- **i-Passport:** Travel the globe virtually with student hosts and explore vibrant communities where Spanish, French, and German are spoken.
- **i-News:** Integrate engaging real-world events with adaptable news articles and video segments, with new articles released each week.
- **i-Videos:** Enlighten your students with documentary-style videos depicting the lives of young people in their native countries.
- **i-Songs:** Sing along with your students to current and traditional songs while learning about original artists from the target language culture.

My Language Town™ Video Library

Spanish French

Students watch engaging videos of native speakers that highlight unique cultural perspectives and ask thought-provoking questions.

Performance Activities

Spanish French German

Make presentational and interpersonal speaking practice fun and interactive! Performance activities give students the opportunity to use their new language in real-world scenarios. They can record video responses to prompts such as text messages, pictures, or short videos. You can easily review their progress through the submitted recordings and provide feedback directly in the activity with our integrated proficiency rubric.

eReader Library
